## PART A: INTRODUCTION

### THIS PUBLICATION

This document outlines the Community Football Policies, Rules & Regulations for all Junior competitions conducted by WA Football (WAF) and Country Football WA (CFWA). These competitions are played under the *Laws of Australian Football* and the *National Community Football Policy Handbook* as determined by the Australian Football League (AFL). These Laws and Policies are updated annually and published by the AFL. WA Football and CFWA may deviate from these documents in order to provide for Laws and Policies that better suit Junior competitions.

The WA Football Junior Football Policies, Rules and Regulations Handbook aims to:

- a) make it easier for leagues, clubs, volunteers and other stakeholders to administer Australian Football at the community level;
- b) provide a framework for key organisational requirements in relation to Australian Football at the community level;
- c) support standards of behaviour to provide a safe, fair and inclusive environment for all; and
- d) encourage the game of Australian Football to be played in a good-spirited manner.

### VARIATION OF RULES, REGULATIONS AND POLICIES

These rules and regulations may be amended by WA Football from time to time as it, in its absolute discretion, deems fit. Should any situation arise which is not covered in this handbook, WA Football will refer to the AFL National Community Football Policy Handbook.

Any variation or exemption to these Rules and Regulations must be approved prior to implementation. For metropolitan competitions this approval is provided by the WA Juniors and Affiliates Specialist. For regional competitions, approval is provided by Country Football WA.

### INTERPRETATION

- a) All volunteers, players and parents must request interpretations, clarifications and explanations regarding the Competition Policies, Rules and Regulations via their respective Club's Executive Committee.
- b) Should any dispute or objection arise regarding the meaning, interpretation or intent of any of these Rules, Regulations or Competition Policies, WA Football shall settle such dispute or objection in its absolute discretion and its decision shall be final.
- c) WA Football may refer to preceding versions of the Rules and Regulations should any dispute arise regarding the interpretation of the current version.
- d) Any matter of any kind whatsoever not dealt with or provided for in this document may be dealt with in such a manner as WA Football determines.
- e) Each rule shall be read and construed independently of all other provisions. Parts of a rule may remain valid even if other parts or provisions of the rule were deleted or adjusted.
- f) WA Football will act in the best interests of the competition, without undue formality and without being bound by the rules if they consider it is not in the best interests of the competition.

### 1. SPIRIT OF JUNIOR FOOTBALL

- 1.1 **Not focus on winning at all costs** and understand that the role of Junior Football is to foster the development of players, volunteers, umpires, coaches and officials. - 1.8 Coaches should adopt an athlete centred coaching philosophy.
- 1.9 A Person, Club or Team must not engage in conduct which is unbecoming or likely to prejudice the interests or reputation of Junior Football in Western Australia or to bring the game of football into disrepute.
- 1.10 Any person attending or participating in a match, event or training session is required to behave in a manner that supports the values of Spirit of the Junior Football. For the avoidance of doubt, this includes spectators.

## 2. RESPONSIBILITY OF AFFILIATED CLUBS

All Affiliated Clubs, including their players, officials, parents/guardians, volunteers and spectators, shall be bound by the Policies, Rules and Regulations outlined in this Handbook, the *Laws of the Game* and the *National Community Football Policy Handbook*. An Affiliated Club must:

- 2.2. use best endeavours to educate their members about the contents of this Handbook and the consequences for breaches;
- 2.3. promote and model appropriate standards of conduct at all times;
- 2.4. be responsible for ensuring their administrators, coaches, officials, volunteers, parents, players and spectators act in a constructive and encouraging manner at all times;

## 5. PRIMARY REGISTRATION POLICY

*This policy is developed to provide Clubs with clarity over where players are to be primary registered with an overall goal to increase transparency and communication between Clubs across different competitions.*

5.1. With the exclusion of WAFL / WAFLW Club listed participants, registered players should hold their Primary Registration with a Club that have teams registered in a Junior competition.

5.2. Any player who turns 16 on or after July 1 who requests a transfer of their Primary Registration to a Senior Community Club are subject to approval by WA Football or Country Football WA.

<b>WAFL Futures Players</b>	<p>WAFL Futures players will Primary register to their Junior Club and then obtain a Permit to their WAFL Club.</p> <p>Where a WAFL Futures player is unable to register with their Junior Club because the Club is not open for registrations on 1 February, the player will register with the WAFL Club and then transfer back to their Junior Club at the conclusion of the Futures program.</p>
<b>WAFL and WAFLW Players</b>	<p>Players may hold their Primary Registration with their WAFL Club provided they are listed on the Club's:</p> <ul style="list-style-type: none"> <li>• Colts List (maximum 55 players), or</li> <li>• Rogers Cup List (maximum 40 players).</li> </ul> <p>Only players listed on the relevant WAFL list are eligible to hold a Primary Registration with a WAFL Club. A Permit can then be obtained allowing them to play at their Junior Club.</p> <p>Any player not listed on the relevant list but eligible to play Colts or Rogers Cup matches, must be Primary registered to their Junior Club and hold a Permit to their WAFL Club.</p>
<b>Community Juniors</b>	<p>Players turning 18 after 1 July who are not otherwise categorised above, are to hold their primary registration at a Club with teams participating in a Junior aged competition.</p> <p>If a player is 16 years or older and their Club does not field a team in their applicable year group, WA Football may approve their primary registration with a Senior Club upon submission of the Parent/Guardian Consent form. Players who take this option are only eligible to play for the Senior Club and cannot permit back to Juniors.</p> <p>Players who retain their primary registration at a Junior Club may permit to a Senior Club and will be eligible to play for both Clubs.</p>
<b>WAFL PSA Players</b>	<p>A PSA player involved in a WAFL program may hold their Primary Registration with their WAFL Club where it is intended that they will only participate in WAFL and PSA competitions throughout the year and will not participate in Junior competitions. Players who Primary register with a WAFL Club under these circumstances cannot obtain a Permit back to Junior competitions.</p>
<b>Community Seniors</b>	<p>All players turning 18 before June 30 (or older) in the current season who are not listed in a category above are to be primary registered with a Senior Club.</p>

<b>Club of Origin</b>	<p>Players transferring or permitting from a WAFL Club are to be transferred or permitted back to their Club of Origin (being the Club they were registered with immediately prior to transferring to the WAFL Club).</p> <p>If a Player is no longer eligible to play for their Club of Origin (e.g. due to age or competition eligibility), the Player may nominate their preferred Club.</p>
<b>Player Fees</b>	<p>Where Players participate across multiple competitions, Clubs should collaborate to ensure fees are applied equitably based on the number of games played, and that Players are not financially disadvantaged compared to a Player who plays for a single Club. No Club may charge a Player any fee, levy or surcharge for transfers or permits.</p>

## 6. AGE DISPENSATION - PLAY UPS

6.1. On application to the League, a Player may be eligible to play up a MAXIMUM of one year group only. For the avoidance of doubt, combined age competitions do not allow additional year level movement. For example

- 6.1.a. a Year 7 may be eligible to play up in a Year 8 Competition but is not eligible to play up in a Year 9/10 Competition.
- 6.1.b. a Year 8 may be eligible to play up in a Year 9 Competition. They may also be eligible to play in a Year 9/10 Competition because the competition includes Year 9.

6.2. Players should only be permitted to play up when their physical capability and social development enables them to compete adequately at the higher age level. Approval will be based on the benefit to be gained by the Player, not solely to make up team numbers.

6.3. Players are permitted to play up temporarily, only if they are not displacing a registered player in the older year group. For avoidance of doubt, no approval is required from the WA Football for temporary play ups in metro competitions as these are managed by the Club.

6.4. No player may play more than four (4) games in an older year group without approval from the League. For avoidance of doubt, applications are to be made by the Club via the approved method determined by the relevant League.

6.5. Once a Player has been approved to play a fifth (5<sup>th</sup>) game in an older year group, they shall be deemed to be a part of that older year group for the remainder of the season (including finals).

- 6.5.a. The Player will not be eligible to play any further regular season games or finals in the younger year group.
- 6.5.b. If the Player plays a further game in the younger year group, they shall be deemed ineligible, and the match forfeited.
- 6.5.c. If a Player has played for multiple teams in the older year group, the League will determine which team that Player is allocated to.

6.6. If a Player plays a fifth (5<sup>th</sup>) game without League approval, the Player will be deemed ineligible, and the match forfeited.

6.7. A Player granted permission to play up a year group will be eligible for fairest and best votes for the competition in which they have received permission to play.

## 7. AGE DISPENSATION - PLAY DOWNS

7.1. On application to the League, a Player may be eligible to play down a MAXIMUM of one year group only. For the avoidance of doubt, combined age competitions do not allow additional year level movement. For example:

- 7.1.a. a Year 6 may be eligible to play down in a Year 5 Competition but is not eligible to play down in a Year 3/4 Competition
- 7.1.b. a Year 5 may be eligible to play down in a Year 4 competition. They may also be eligible to play down into a Year 3/4 Competition because the competition includes Year 4.

- 7.2. Players are not permitted to play down temporarily. For avoidance of doubt, all play downs must be approved by the League.
- 7.3. Any player who is repeating Year 12 at school is not eligible to play in the Year 11-12 competition and should be encouraged to join a senior community competition.
- 7.4. All play down applications must be submitted by the Club and supported by a parent/guardian, with the request clearly stating the reason for the application.
- 7.5. With the exception of school year group play downs, the granting of any Play Down approval applies only to the current season and may be reviewed by the League at any point.
- 7.6. A Player granted permission to play down a year group will be eligible for fairest and best votes for the competition in which they have received permission to play.
- 7.7. A Player who requests to play down due to their **current school year group** must supply a letter from the school confirming that they are attending school in that year group.
- 7.8. A Player who requests to play down due to **physical development** must supply a written authority from a sports physician or registered medical practitioner confirming that the participant falls below the fifth percentile for height or weight.
- 7.9. A Player who requests to play down due to a **disability** that limits their ability to play must supply written authority from a sports physician or registered medical practitioner outlining the reasons for supporting the request. The supporting documentation may recommend that dispensation be approved for two (2) seasons.
- 7.10. Smaller Clubs with fewer than the minimum required players to nominate a team may apply for play down permits. Permits for this reason will be granted at the discretion of the League, with a maximum of four (4) permits provided per team.
- 7.11. In assessing an application for dispensation, the League will have regard to the following factors:
  - 7.11.a. the Player's previous playing history, ability, competition level previously played in, and the effect of the Player's Disability or Physical Size Considerations on their capacity to effectively participate in Australian Football.
  - 7.11.b. how the proposed dispensation will support the Player to overcome barriers to their effective participation in Australian Football.
  - 7.11.c. the safety and welfare of the Player and those Players they will be participating with and against; and
  - 7.11.d. any other relevant factors as determined by the League.
- 7.12. The League may revoke a dispensation approval at any time provided that the reasons for such revocation are provided to the Permitted Player via their Club.

## 8. PLAYER MOVEMENT BETWEEN TEAMS

- 8.1. Players are not permitted to move from one team to another team within the same Club and year group after Round One of that season, unless approved or directed to do so by the League. *For avoidance of doubt, Clubs may submit a request to move players during the season for the purposes of rebalancing teams.*
- 8.2. If a Player does play for another team in the same Club and year group after Round One, they will be deemed an ineligible player, and the game deemed a forfeit.
- 8.3. Each team is to be treated as a separate entity.

## 9. PERMITS AND MULTIPLE COMPETITIONS

- 9.1. Players are not permitted to hold a Permit to participate in two (2) Junior Competitions across separate Leagues or Regions on a regular weekly basis.
- 9.2. Any Player who plays a match at Senior Community level (ie Perth Football League, Peel Football and Netball League etc), is deemed eligible to play in a Junior Competition on the same weekend /corresponding round.
- 9.3. Any Player who is recorded as playing in a WAFL / WAFLW match, is ineligible to play in a Junior Competition on the same weekend/corresponding round.
- 9.4. A Player who is selected to play in a WAFL / WAFLW match is ineligible to play in any Junior Competition match scheduled before that WAFL/WAFLW match is played.  
*For the avoidance of doubt, a player named in a WAFL/WAFLW team on Thursday for a Sunday match cannot play in a Junior match on the Friday/Saturday in between.*
- 9.5. For the purposes of this section, a Player is considered to be selected to play for a WAFL / WAFLW match when they are named in the team for that round (not as an emergency).
- 9.6. A Player who is listed only as an emergency for a WAFL / WAFLW match, remains eligible to play in Junior matches on the same weekend / corresponding round.  
*For the avoidance of doubt, if an emergency-listed player plays in a Junior match that is played before the WAFL/WAFLW match and is subsequently called up to play in that WAFL/WAFLW match, the Player's eligibility for the Junior match remains valid and the Player is not deemed ineligible.*

## 10. TRANSFERS AND PERMITS

*All WA Football competitions adhere to the AFL National Player Transfer Regulations. In addition to these, the below sections (11 and 12) apply to all Junior Competitions under the control of WA Football.*

*Note: Transfers are open between 1<sup>st</sup> – 30<sup>th</sup> November and then 1<sup>st</sup> February to 30<sup>th</sup> June, whilst Permits remain open all season.*

## 11. LOCAL TRANSFER RULES

- 11.1. This policy applies only where a team has more than five (5) Players listed on WAFL Development Squad lists.
- 11.2. At the full discretion of WA Football, teams can be penalised for exceeding five (5) WAFL Development Squad Players where additional WAFL Development squad players are transferred or permitted into the team.
- 11.3. If a club has more than 5 *homegrown* WAFL Development Squad players, no penalty will be considered unless further WAFL Development Squad Players are transferred or permitted into the team.
- 11.4. Penalties may include, but are not limited to, loss of Premiership Points. Penalties are discretionary and may be reviewed and applied at any stage of the regular season. Prior to a determination being made, the relevant Club will be provided an opportunity to submit information for consideration. The final determination will be made by WA Football in its absolute discretion.
- 11.5. Penalties will be determined by allocating each player a point value and utilising the below matrix. WA Football may, at its absolute discretion, increase the total points threshold for Teams with exceptionally large Player lists to ensure penalties are proportionate

- 13.2. For Country Football Leagues, the minimum number of qualifying matches required for Finals eligibility will be League dependant. For Metro competitions, the minimum number of matches is:

### GROUND SIZE SUMMARY

33.k	<p>Field sizes are reduced in younger age groups to suit players' skill level and ability and to cater for the reduced number of players.</p> <p>Reduced field sizes allow for 'cross-field' matches in Year 7 – 8 and allow for more matches to be played in the same timeslot, reducing the impact on volunteers, and increasing ground availability.</p> <p>The ranges have been purposefully overlapped to allow for less ground configurations on match day. ## 36. MATCH BALLS

- 36.1. Each team competing shall supply a football;
  - 36.1.a. The Home team shall provide the match ball.
  - 36.1.b. The Away team shall provide a suitable spare football.
- 36.2. All match footballs must be:
  - 36.2.a. Of an age-appropriate size as per 36.5.
  - 36.2.b. Manufactured by a WA Football/Country Football WA agreed sponsored brand (Burley Sekem).

- 36.3. In circumstances where a match football becomes waterlogged, damaged or unsuitable for play, any replacement football must meet the requirements of 36.2 and be introduced in a manner that maintains fairness for both Teams.  
*For the avoidance of doubt, replacement footballs should be introduced at a break where both Teams will subsequently have equal time using that football in each direction, unless the Field Umpire determines immediate replacement is necessary for safety or match integrity.*
- 36.4. All match footballs used in Grand Finals shall be;
  - 36.4.a. new;

## 37. EQUAL OPPORTUNITY AND FAIR PLAY

*This policy ensures that equal opportunities for participation in football are made available to all children, regardless of ability, size, shape, gender identity, age, disability or ethnic origin.*

FEMALE PARTICIPATION	
37.a	Single sex (all male / all female) competitions are preferred if teams can be arranged within the schools or junior districts and / or country regions.
37.b	Female players can participate with males until and including Year 9.
37.c	WA Football/Country Football WA has an expectation that Clubs will provide equal access to facilities for all participants and officials, regardless of gender.
37.d	Female only competitions will be given equitable scheduling of fixtures to mixed and / or male only competitions.
PLAYER ROTATION	
37.e	<p>All players, regardless of their age, size, gender, ability or the competition they are playing in, are to be given an equal opportunity to play in a variety of positions on the field.</p> <p>This is important in allowing players to gain experience and learn and develop the skills of each position. Adhering to this policy and its intent ensures all players and parents feel they are getting a fair go and are a part of the team, enhancing overall participation in Junior Football.</p>
37.f	Every player in a team must play at least <b>sixty percent (60%)</b> of any match they are named as playing in.
37.g	Rule 37.f only applies to the first game a player plays in a weekend, e.g., if a player has completed a match with their team and then plays up for another team who is short of players, that player is not required to play 60% game time in the second match.

37.h	All players must play equal game time across the season.
37.i	Each team is required to track player game time utilising the 'Rookie Me Play' app.
37.j	Breaches of the <b>Equal Opportunity and Fair Play Policy</b> may result in penalties being issued. Penalties will be at the absolute discretion of the League and may include fines, Code of Conduct breaches, loss of E-Points or the game being deemed a forfeit.
<b>MAXIMISE PARTCIPATION OPPORTUNITIES</b>	
37.k	Coaches must utilise all places in the team for each match and play the maximum number of players available to them (including bench spaces).  This includes finals, but only refers to players that are qualified to play in finals.
37.l	Teams with excess players must have an equal and fair player roster that ensures wherever possible, that all players have an equal number of matches played across the season.  Teams with excess players must ensure different players are rostered off each week. Players should not be excluded from multiple matches in a row without a valid reason ie injury, disciplinary reasons. <i>For the avoidance of doubt, this also includes Finals matches.</i>
37.m	Breaches of the <b>Equal Opportunity and Fair Play Policy</b> may result in a Code of Conduct breach being issued or the game being deemed a forfeit.

## 38. MATCH ON-FIELD EQUALISATION (EVEN UP AND EVEN DOWN)

*The Match On-Field Equalisation Policy is to be enforced in all Junior Football matches controlled by WA Football. The Match On-Field Equalisation Policy is in place to ensure both teams have equal numbers on the field while maximising participants playing time and is to be applied to all home and away matches, including finals.*

- 38.1. Teams must have the same number of players on the playing surface during a match at all times.
- 38.2. The only exceptions where teams are not required to match player numbers on the playing surface are:
  - 38.2.a. in the instance where a player has been sent off with a yellow card and there is no replacement player available, no even-up is required during the penalty period.  
*For avoidance of doubt, once the 15-minute penalty has been served, teams must return to an even number of players on the playing surface.*
  - 38.2.b. in the instance where a player has been sent off with a red card, and there is no replacement player available, no even-up is required for the remainder of the match.
- 38.3. If during the match, a player has to leave the playing surface due to an injury and there are no replacement players in that team, the following applies:
  - 38.3.a. The team with the injured player must notify the Opposition Team that they have no replacement player available.
  - 38.3.b. The opposition team is to remove one of their players from the playing surface immediately to keep the numbers on the playing surface even.  
*For avoidance of doubt, the player removed should be the closest to the interchange area.*

38.3.c. If the injured player is subsequently able to return to the playing surface, the team must notify the opposition team and then players from both teams should re-enter the playing surface together.

38.4. As per the Competition Rules, the maximum number of players on the playing surface at any time is;

- 38.4.a. Year 3 to Year 4 Competitions – 12 players
- 38.4.b. Year 5 to Year 8 Competitions – 15 players
- 38.4.c. Year 9, Year 10 Male and Year 9 to 12 Female Competitions – 16 players
- 38.4.d. Year 11/12 Male Competitions – 18 players

38.5. When teams cannot field the maximum number of players on the playing surface for that competition, the rules in the below table will apply.

Competition	Requirement
Years 3 – 6	<p><b>‘Even-Up’</b></p> <p>Teams with higher number of players <u>must</u> offer additional players to play for the opposition team if they are unable to field the required number of players.</p> <p>Players must be rotated so that no single player plays more than one (1) quarter per match for the opposition team.</p>
Year 7 - 12	<p><b>‘Even-Down’</b></p> <p>Teams with higher number of players must remove additional players from the playing surface until on-field numbers are even.</p> <p>This team then plays with a larger bench.</p> <p>“Even-Down” will occur until the Team with higher numbers has removed up to three (3) players from the Playing Surface. If more than three (3) players would be required to be removed in order to match numbers (i.e. a difference of four (4) or more), Teams shall revert to “Even-Up” to avoid one Team having an unmanageable bench and reduced participation.</p>

38.6. Where matches are played with less than the maximum as per age specific competition rules, Coaches must ensure that field positions remain even.

The below tables explain how to adjust teams on the playing surface in this scenario.

- 39.5.b. A person not listed on the teamsheet will be participating in the match *(handwrite on paper teamsheet and manually adjust online in PlayHQ)*

- 39.6. A completed teamsheet must be submitted to the Field Umpire before the commencement of the match.

- 40.4. All scratch matches with official Field Umpires are bound by the *Laws of the Game*, including penalties for reportable offences.
- 40.5. For insurance purposes, wherever possible, all players should be registered in PlayHQ prior to taking the field. Where registration in PlayHQ has not been completed, the following will apply;
  - 40.5.a. Players will be covered under the [AFL National Risk Protection Program](#) from the date of registration. In addition, players will be covered for up to four (4) weeks prior to registering (i.e. considered as a 'prospective player')
  - 40.5.b. Any player who will be transferring into the Club, but cannot complete the transfer until the Transfer Period begins (1<sup>st</sup> February), will be covered by the [AFL National Risk Protection Program](#) whilst training with the destination Club prior to the transfer being completed.

- 40.7. Payment of official Field Umpires will be the responsibility of the teams participating in the scratch match.

## 41. FIXTURES

- 41.1. The League will prepare a fixture list for all matches and determine dates, locations and times of all matches in its controlled competitions at its absolute discretion. Fixturing will endeavour to balance the interests of all participating Clubs as well as venue availability.
- 41.2. The League reserves the right to grade and regrade throughout the season to provide players with competitive matches.
- 41.3. Any re-fixturing that occurs after the commencement of the season will be at the discretion of the League. Changes will be made with fairness and transparency in mind, aiming to minimise disruptions to the overall competition.
- 41.4. Any proposed amendment or alteration to the fixtures by Clubs shall be submitted in writing to the League.
- 41.5. Junior Clubs may only request an amendment to the fixture where it has been agreed to by both competing Clubs. If no agreement can be reached, then the original fixture will remain.
- 41.6. Where possible, all Finals will be played on neutral grounds.
- 41.7. If unforeseen circumstance disrupts finals fixtures, the relevant League will determine how to proceed and whether games will be rescheduled.

## 42. FORFEITS

- 42.1. All teams participating in League competitions are expected to make every effort to fulfil their scheduled fixtures and play all available matches.  
*For the avoidance of doubt, this includes negotiating rescheduling of the match with the opposition.*
- 42.2. In the event a team anticipates or is forced to forfeit a match, the Club must promptly notify the Opposing Club and the League as soon as they become aware of the situation.
- 42.3. In the event of a forfeit, both Clubs involved shall advise the League in writing of the date of the match and include the reasons for the forfeit.
- 42.4. Should a Team play an ineligible Player or utilise an ineligible Official, that Team will forfeit the match.

- 48.3. An Umpire may only be approached by a Team Captain or Team Manager for the following reasons;

## 49. REMOVAL OF PLAYERS FROM THE PLAYING FIELD

*When other parties view Team Officials entering the field, there can be a perceived perception that they may be entering the field for negative reasons and then choose to enter the field themselves. This can quickly bring the game into disrepute and create an unsafe game environment.*

- 49.1. No Coach or Club / Team Official may remove a Team from the playing field during play.
- 49.2. Any Coach or Club / Team Official who has concerns for safety during a match, should have their Team Manager speak with the Field Umpire at the next available break. Should the safety concerns continue, the Team Manager should contact their Club President who will then in turn notify the League for appropriate action.
- 49.3. If a Coach or Club / Team Official remove the Team from the Playing Surface whilst a match is in progress, this individual shall be required to appear before the League and show cause why a penalty should not be imposed on the Club and/or Person, for their actions.
- 49.4. A match will not be deemed finished, abandoned or called off until officially done so by the Field Umpire, Umpire Coach or League Administrator.
- 49.5. All individuals are bound by the **Ground Encroachment Policy** and breaches will be investigated by the League.

## 50. GROUND ENCROACHMENT

*Encroachment refers to a violation that occurs when an unauthorised individual enters the Playing Surface or disrupts the flow of the game. Unauthorised individuals on the Playing Surface pose a risk to both themselves and the participants, meaning Ground Encroachments have the potential to quickly bring the game into disrepute and create an unsafe game environment. For this reason, WA Football / Country Football WA takes a strong stance on any violations of the Ground Encroachment Policy.*

- 50.1. Clubs are responsible for ensuring all participants understand and adhere to this handbook, including the Ground Encroachment Policy. This includes education relating to the possible consequences of a breach of the Ground Encroachment Policy.
- 50.2. Individuals who are authorised to be on the playing surface during game play are;
  - 50.2.a. Players listed on the teamsheet and not currently benched;
  - 50.2.b. Team Runners;

  - 50.2.d. Field Umpires;
  - 50.2.e. Any individual requested by the First Aider / Medical Officer to assist with the carrying of an injured player on a stretcher.  
*For the avoidance of doubt, individuals covered under 50.2.e are only permitted on the playing surface when directed to do so by the Field Umpire as per the **Stretcher Policy**.*
- 50.3. In the event of an encroachment of the Playing Surface by any unauthorised persons, or that play is prevented by any other means, the Field Umpire shall seek assistance of fellow Umpires and/or any League Officials to clear the Playing Surface so that the match may be resumed.
- 50.4. If the Field Umpire is unable to resume the match as per 50.3 within a reasonable period of time, they shall terminate play at that time and report all circumstances to the League. The League at its absolute discretion, may award the result, declare the match abandoned or call a replay.
- 50.5. Spectators are expected to remain behind the spectator line and refrain from encroaching onto the field of play during matches.  
*For the avoidance of doubt, this includes instances where players are injured.*
- 50.6. Any Club whose officials, players or spectators are found to be responsible for the unauthorised encroachment of the Playing Surface shall be liable for penalties at the discretion of the League.
  - 50.6.a. Based on evidence collected, the League will determine an appropriate suspension penalty between the range of two (2) matches to a life ban.
  - 50.6.b. If the encroachment includes any physical or verbal contact with opposition players, Umpires or League officials, the penalty may be increased up to a Life Ban from all Community Competitions.
- 50.7. The Home Club is responsible for ground security on match day but cannot enter the Playing Surface unless requested to do so by the Field Umpire.

## 51. STRETCHERS AND INJURIES

51.1. The Host Club must provide a stretcher in good condition for all matches, that is readily accessible to the First Aid / Medical Officer.

51.2. The location of a stretcher for Venues shall be as follows;

- 51.2.a. One match – the stretcher should be placed behind the interchange area;

51.4. Any player who is injured during a match and who, in the opinion of the First Aider / Medical Officer, requires the assistance of a stretcher, shall be attended to as soon as possible so as to ensure the health and safety of the player.

51.5. Where a First Aid / Medical Officer has deemed a stretcher is required, the following game-play procedure will apply;

- 51.5.a. Upon being advised or noticing that a Player requires a stretcher, the Field Umpire shall stop play at the earliest opportunity to do so by blowing their whistle **once**.  
*For the avoidance of doubt, game play will pause however the clock will continue.*
- 51.5.b. After a stretcher has been called for by the First Aid / Medical Officer, the Field Umpire shall blow their whistle **twice** indicating that authorised persons are now permitted to enter the playing surface to assist with the carrying of the injured player on the stretcher.  
*For the avoidance of doubt, any unauthorised individuals who enter the playing surface prior to the double whistle will be in violation of the Ground Encroachment Policy.*
- 51.5.c. Once the injured player has been removed from the Playing Surface, the Field Umpire shall recommence play.

51.6. Where a First Aid / Medical Officer has called for a stretcher, the following player procedures will apply;

- 51.6.a. If a player is removed from the playing surface on a stretcher, then that Player will take no further part in the game whatsoever.  
*For the avoidance of doubt, any player who is unable to bear their own weight and is supported by another individual propping them up for any part of the journey off the Playing Surface, will not be deemed to have been stretched off.*
- 51.6.b. The injured Player may be removed from the Playing Surface on a stretcher via the most direct route for play to recommence.
- 51.6.c. A Team may replace the injured Player with a benched player, but they must enter the Playing Surface via the Interchange area.

51.7. Only authorised persons are permitted to enter the Playing Surface and no team meetings or coaching is permitted during this time.

- 51.7.a. Players are to remain in their positions ready for recommencement of play.

- 51.7.b. Should a Coach enter the playing surface and in the opinion of the Umpire or League Administrator was doing so to provide instruction, a free kick will be awarded to the opposition in front of the goal at the end of the 10-metre square.
- 51.7.c. Should both teams' Coaches enter the playing surface for the purpose of giving instruction, play will resume under the rules of the game and both Teams may have a fine imposed at the discretion of the League.
- 51.8. If the First Aid / Medical Officer is of the opinion that an injured player cannot be moved from the Playing Surface due to the severity of injury, then play may be abandoned at the discretion of a meeting between the two Team Managers, the Field Umpire and/or any League Official. The decision will be made in line with;
  - 51.8.a. Providing a duty of care to the injured Player with due regard for their health and safety.
  - 51.8.b. Allowing First Aider / Medical Officer to provide a level of care consistent with the limits of their qualifications; and
  - 51.8.c. Causing minimal impact on the starting time of any subsequent matches.
- 51.9. All Field Umpires and Team Managers shall report all stretcher call outs and the outcomes on match documentation.

## 52. MERCY RULE

*The Mercy Rule Policy is established in accordance with the **Spirit of Junior Football**. The purpose is to instil in all participants that it serves no beneficial purpose to inflict massive losses on an opposition team. Player retention is a key focus for Junior Football and this Policy forms a key part of the strategy to ensure players are involved in competitive competitions with a reduction of one-sided matches.*

- 52.1. In the event of a one-sided match, both Coaches have a responsibility to even the match up to the best of their ability.  
*For avoidance of doubt, teams are not required to ask for the Mercy Rule to be implemented.*
- 52.2. There is no discretion for Coaches to agree to the non-implementation of the Mercy Rule.
- 52.3. Clubs and Coaches may be required by the League to explain any circumstance in which there is evident failure to take equalisation measures or achieve a competitive balance between the teams.
- 52.4. Failure to adhere to the Mercy Rule by Coaches may result in penalties including a reprimand, loss of Premiership Points, non-awarding of E-Points, Code of Conduct breach or suspensions.
- 52.5. Where the match score difference between Teams equals or exceeds sixty (60) points, the following is to occur;
  - 52.5.a. Scoring on the Scoreboard is to cease at the end of the quarter the margin has been reached.
  - 52.5.b. Goal Umpires and Independent scorers are to continue scoring as usual.
- 52.6. While the Mercy Rule is in effect, Coaches and Officials should use discretion to ensure the *Spirit of Junior Football* is maintained. Respect for opponents, officials and the game itself remains paramount.

52.7. Coaches have a key role in fostering the development of players. Learning to win and lose is part of the developmental journey but must remain secondary to the primary focus of player development and player retention.

52.8. In the event of a one-sided match, both Coaches have a responsibility to implement measures to:

- 52.8.a. Equalise the on-field competitive balance of the match; and
- 52.8.b. Allow for improved participation in the match for the players of the trailing team.  
*For avoidance of doubt, a match does not need to reach a sixty-point difference before measures are introduced.*

52.9. Examples of measures that may be implemented in accordance with 52.8 are listed below;

#### Applying the Mercy Rule – Leading Team

Scoring endlessly is not only unfair on your opponents but will not aid the development of your players.

- Rotation of dominant/influential players and adjust positions for all players.  
*At junior level its vitally important that all players develop the skills required for all positions.*
- Setting a challenge of maintain possession for certain periods of time or amount of possessions before scoring.  
*This will develop their game sense allowing increased player involvement.*
- Challenge the playing group to use non preferred hand and foot.  
*There are many long- term benefits of having players develop skills on both sides of their body.*

#### Applying the Mercy Rule – Trailing Team

Motivating a team that is trailing in a one-sided game can be a tough challenge, however it is achievable when the win/loss situation is not overemphasised by the adults around them.

Redefine the definition of winning so your players are focused on self-improvement and individual goal attainment rather than the scoreline.

- Defenders can be tasked with blocking a shot on goal.
- Players can be set the objective of taking a mark and making a good pass to a team mate.
- Forwards could be tasked with taking a mark in front of goal.
- Teams can be set the objective of conceding fewer points in the next quarter than the last or no points in a set period of time.
- Teams can be set the objective of maintaining a number of consecutive possessions

## 53. DUTY OF CARE

53.1. All players have a duty of care to their fellow participants.

53.2. All contested elements of the game must be conducted within acceptable bounds to protect the health, safety and welfare of players and to minimise the risk of injury.

53.3. Coaches have a duty of care to educate players about the effect their body can have on an opponent, and how to protect not only themselves but also their opponents.

## 54. DANGEROUS TACKLES

54.1. Players when tackling should not place their opponent (head or body) in a vulnerable position which is inherently dangerous.

54.2. A dangerous tackle could be considered when the level of force is more than would normally be expected in a given situation.

54.3. The cues of a dangerous tackle include;

- 54.3.a. Leaves head or body in a vulnerable position.
- 54.3.b. Excessive rotation, including slinging.
- 54.3.c. One or both arms pinned.
- 54.3.d. Lifting of the legs.
- 54.3.e. A tackle that drives or has two actions.

54.4. Field Umpires may award a free kick, yellow or red card for Rough Conduct in cases of dangerous tackles.

54.5. The below guidelines are designed to assist umpires in determining whether a penalty should be paid for a Dangerous Tackle.

Impact / Severity	Head Contact	Outcome
Low	Head <b>does not</b> hit the ground	Free Kick
Low	Head <b>does</b> hit the ground	Yellow card
High	Head <b>does not</b> hit the ground	Yellow card
High	Head <b>does</b> hit the ground	Red card

54.6. Other circumstances which may warrant an instant Red Card are those that are deemed to be inherently dangerous. Examples include;

- 54.6.a. Slinging motion where the ball player does not have control to brace themselves for landing.
- 54.6.b. When a player is lifted off the ground and not returned to ground with reasonable care.
- 54.6.c. When the tackler pins the arms of the ball player, and they have no way to brace themselves for landing.

54.7. Any Yellow Card issued may be upgraded by the Field Umpire, Umpire Coach or League Administrator.

## PART H: HEALTH AND SAFETY POLICIES

- WEATHER
- PROTECTIVE EQUIPMENT, JEWELLERY AND UNDERGARMENTS
- CONCUSSION

### 63. WEATHER

*Environmental factors regularly affect the playing of football. While environmental factors will not usually influence whether a Match should commence or continue, occasionally extremely adverse weather conditions may give rise to a need to assesses whether participants are in danger. This section sets out the approach to take when assessing extreme weather conditions.*

- 63.1. In the case of events of extreme weather or environmental conditions, consultation of all parties involved must take place to determine the safest outcome for all participants involved.
- 63.2. Environmental conditions that must be assessed include, but are not limited to;
  - 63.2.a. Extremely strong winds;  
*(wind may create addition hazards in regard to trees, branches or other material becoming projectiles)*
  - 63.2.b. Flood;  
*(heavy rainfall also needs to be considered in relation to its impact on the safety of the playing surface)*
  - 63.2.c. Extreme fire danger;
  - 63.2.d. Fires present in the vicinity;  
*(smoke and air quality also needs to be considered)*
  - 63.2.e. Lightning;
  - 63.2.f. Hail;  
*(size and intensity should be considered)*
  - 63.2.g. Extreme heat.
- 63.3. In the event of lightning being present in the immediate proximity of the venue during a match or training, all activity must cease, and participants are to find suitable safe shelter.
- 63.4. In the absence of specific information from a weather radar or specialised warning device, then the **30/30 Safety Guideline** should be used for all cases of thunder and lightning.

#### Thunder and Lightning 30/30 Safety Guideline

Lightning is the visible part of an electrical discharge. Thunder is the resulting sound from the rapid expansion of air after this discharge. Sound follows light at 0.34km/sec.

It is important to note that lightning may be obscured by clouds, so it must be assumed that when thunder is heard, lightning is in the vicinity.

If the time between the lightning flash and the thunder sound is **less than 30 seconds** then the match or training **must be suspended**.

The match or training **must not resume** until **30 minutes after** the last sighting of lightning or sound of thunder.

Blue skies and no rainfall are not reasons to breach the 30-minute minimum return-to-activity rule.

63.5. A decision to delay, suspend or resume a match or training session should be made in consultation with all relevant umpires, team officials and League Administrator.

63.6. If a lightning threat emerges during a match, the nominated Club Official must contact all relevant parties (League Administrator, Umpires, Spectators, Opposition Club etc) and provide updates on a regular basis.

63.7. If a lightning threat emerges during a match or training, all participants are to take shelter immediately.

#### **Safe shelter**

- The Primary choice is a large, fully enclosed building.
- When no building is available, a fully enclosed vehicle with a metal roof and the windows completely closed offers some protection.

#### **Unsafe locations and situations**

- An open field.
- close vicinity to the tallest structure in the area (eg trees, light pole, goalposts).
- Small structures such as rain/picnic shelters, tents and Coaches Boxes.
- Umbrellas or any object that increases a person's height.
- Use of electrical appliances such as scoreboards.

63.8. Any match that is abandoned due to weather conditions will be determined by WA Football Competitions Team in line with 43.4 **Match Results**.

## **64. PROTECTIVE EQUIPMENT, JEWELLERY AND UNDERGARMENTS**

*WA Football / Country Football WA understands that due to the nature of Australian Football, parents and players may want to take certain safety measures to ensure they are protected while participating in training and matches. In doing this, we must ensure that any protective equipment is suitable for football and that the safety of all participants is considered.*

64.1. Below is a list of commonly used protective equipment with notes regarding their classification. Clubs may submit Protective Equipment Permits on behalf of players to the relevant League at any point of the season.

Equipment	Permit	Notes
Mouthguards	No permit required	Mouthguards have a definite role in preventing injuries to the teeth and face and for this reason WA Football / Country Football WA strongly recommends that all players wear a mouth guard when participating in either training or matches.
Headgear	No permit required	A player who desires to wear protective headgear during a match must ensure it is made of soft, lightweight padded material that is suitable for football. <i>For the avoidance of doubt, hats are not permitted.</i>

		Inspection of the head gear prior to each match should ensure it is not dangerous to the player wearing it or any other player.
Breast protection	No permit required	A female player who desires to wear protective breast protection such as Zena Z1 or Boob Armour is able to do so without a permit required.
Eyewear	No permit required	<p>Players who wish to wear prescription glasses or goggles during matches and training sessions should wear glasses or goggles with plastic frames and lenses. A band must also hold the glasses on securely.</p> <p>A permit is not required as long as these conditions are met.</p>
Diabetic pumps / glucose monitors	Permit needed	<p>Diabetic pumps and glucose monitors are able to be worn during matches and training however additional padding must be worn.</p> <p>This padding provides protection for opposition players, the device itself and helps prevent any accidental removal of the device during physical contact.</p> <p>Soft padding can include foam and compression bandages. A permit is required to ensure these conditions are met.</p>
Shin guards	Permit needed	Shin guards are not permitted unless medically prescribed to protect an injury. A permit is required, and this medical recommendation must be attached to the permit request.
Gloves	Permit needed	Gloves are not permitted unless medically prescribed to protect an injury. A permit is required, and this medical recommendation must be attached to the permit request.
All other protective equipment	Permit needed	All other protective equipment including but not limited to, kidney guards, hearing aids, brace supports (ankle, knee, finger etc) require a permit.

64.2. Players are not permitted to wear a plaster cast during matches.

64.3. Players are not permitted to wear jewellery during matches.

64.3.a. All piercings must be removed.  
Piercings are **not permitted to be taped**.

64.3.b. Medical bracelets are able to be worn however they must be completely taped and marked 'MEDIC'.

64.4. Black tape arm bands are permitted to be worn to commemorate a deceased individual.

64.5. Players are not permitted to use any hand grip, adhesive or sticky substances in Junior Competitions. For the avoidance of doubt, this includes (but is not limited to) products designed to enhance grip such as tacky sprays, creams, gels or resins, including products commonly marketed for wet weather use.

64.6. The wearing of undergarments are as follows;

Competition age	Equipment	Notes
Junior Football Years 3 -6	Compression undergarments (Skins, Under Armour etc)	Participants may wear compression garments of any style, colour or length.
	Non-compression wear	Long and short sleeve, non-compression t-shirts may be worn on the condition the shirt does not have a hood.
	Jumpers, Jackets and hooded garments	Players are not permitted to wear jumpers, jackets, or hooded garments under their football playing jumper during a match.

Youth Football Years 7 - 12	Compression undergarments (Skins, Under Armour etc)	<p>Participants may wear compression garments of <b>any length without a permit</b> however they must be in line with the playing uniform or be of a neutral colour (black, white or beige).</p> <p><i>For avoidance of doubt, this means if the team wears green shorts, then the player may wear green, black, white or beige coloured undergarments.</i></p>
	Non-compression wear	T-shirts, jumpers and other non-compression garments are not permitted to be worn under their football playing jumper unless authorised by the League.

## 65. CONCUSSION

WA Football and Country Football WA continues to prioritise the health and safety of all participants, and strongly encourages all leagues, clubs and teams to take a cautious approach to the management of concussion in Australian Rules Football.

Head impacts can be associated with serious and potentially fatal brain injuries. In the early stages of injury, it is often not clear whether you are dealing with a concussion or there is a more severe underlying structural head injury. For this reason, the most important steps in initial management include:

1. Recognising a suspected concussion.
2. Removing the player from the game.
3. Referring the player to a medical doctor for assessment.

Any player who has suffered a concussion or is suspected of having a concussion must be medically assessed as soon as possible after the injury and **must NOT** be allowed to return to play in the same game/practice session.

There must be an accredited first aider at every game and the basic rules of first aid should be used when dealing with any player who is unconscious or injured. **If in doubt, then sit them out.**

### HEADCHECK CONCUSSION APP

The Headcheck Concussion App continues to help Trainers, Coaches and Parents/Guardians recognise the symptoms of a suspected concussion and its severity through a series of concise questions and observations to quickly identify whether a child's head injury requires an ambulance, hospital, or a GP visit.

The App also assists Parents/Guardians in managing their child's recovery program based on the symptoms displayed as well as guide the Parents/Guardians on their child's safe return to school, training, and games.

The Headcheck Concussion App can be downloaded for free on both Apple and Android devices.  
For more information about the app, please visit [www.headcheck.com.au](http://www.headcheck.com.au)

### MANAGEMENT GUIDELINES FOR SUSPECTED CONCUSSION

1. Assess for presence of any concussion symptoms or signs (e.g., stunned, confusion, memory problems, balance problems, headache, dizziness, not feeling right).
2. Implement first aid management protocol, including cervical spine immobilisation.
3. Remove from the ground and assess using pocket CRT (Concussion Recognition Tool).
4. Presence of any factors for urgent hospital referral (e.g., confusion, vomiting, worsening headache).
  - If yes – Call for an ambulance and refer to hospital.
  - If no – Do not allow player to return to play. Refer to a medical doctor for assessment.

### REPORTING AND RECORD KEEPING

All confirmed and suspected concussions are to be reported on PlayHQ as soon as possible but ideally no later than 9am on the Monday following a match.

RETURN TO TRAIN AND PLAY PROCEDURE
WA Football and Country Football WA align to the national concussion guidelines released by the Australian Institute of Sport (AIS) and the Australian Sports Commission (ASC). A minimum requirement for returning to full training and playing matches is outlined in these Concussion Guidelines as per the diagram on the following page. Players must follow the graded loading program and supply a medical certificate before returning to full training and playing games.
A more conservative approach should be adopted for any player who has had a history of concussion or if there is any reoccurrence of symptoms.  The referenced 21 days is not a standard <i>wait and play</i> , it is the minimum requirement, and all concussions should be treated as unique and assessed independently with players following the graduated return to play process, and not be fixed on a set number of days to safely return.
MULTIPLE CONCUSSIONS IN A SEASON
Following any concussion, a player must receive a medical clearance to Return to Play as per the National Community Concussion Guidelines.  If a player receives a <b>second</b> concussion in a season, then the player must be assessed by a doctor or medical practitioner who specialises in concussion management, and be medically cleared by them in order to Return to Training or Play.  WA Football can assist clubs and families in identifying doctors who specialise in the field of concussion.
If a player receives a <b>third</b> concussion within a season (combined across any competition i.e., club, school, AFL9's, etc) then it is highly recommended, that the player does not play for the remainder of the season, and should continue to be assessed / monitored by a medical specialist in Concussion Management.

There are a number of resources available to assist Clubs with the Management of Concussion, including:

- **Concussion Education Course (15 minutes)**

WA Football and Country Football WA **strongly recommends** that all parents, coaches, volunteers and players undertake the online concussion education course.

- **PlayHQ Concussion User Guides –**

<https://play.afl/clubhelp/resources/playhq#article-1>

In relation to these protocols, a **Health Care Practitioner** (HCP) refers to a Specialist Sports Doctor / Physician, a General Practitioner (GP), or a AHPRA registered health care practitioner with appropriate training and experience in concussion assessment and management.

It is imperative that all clubs, volunteers, parents, coaches and players take a cautious approach to the management of a concussion, and that players work through each of the steps of a graduated return to play process.

Under-reporting of concussions, or the downplaying of the symptoms of a concussion, has the potential to put the player at greater health risk.

**“Everyone has a responsibility to report a suspected concussion”**

## 66. WORKING WITH CHILDREN CHECKS

The Working With Children Check is a compulsory screening strategy for people engaging in child-related work in Western Australia. It is an important part of the measures that Clubs should have in place to protect children and young people when they are engaged with their organisation.

**All Clubs and individuals are required to comply with the Working With Children legislation.**

### Is a Working With Children Check required?

A WWC Check is required if someone has an 'agreement to work' in a role undertaking 'child-related work', and no 'exemptions' apply.

Follow the guide below to determine whether a WWC Check is required.

QUESTION 1 – IS THERE AN AGREEMENT TO WORK?	
	If yes - move to Question 2. If no - a WWC Check is not required.
	<i>An agreement to work can be a written or unwritten agreement between a person and another person or an organisation, to carry out 'child-related work' in a paid, unpaid or volunteer basis. It can refer to both 'child-related employment' and a 'child-related business' as defined in the Working with Children (Screening) Act 2004</i>
QUESTION 2 – IS IT CHILD-RELATED WORK?	
	If yes - move to Question 3. If no - a WWC Check is not required.
	<i>Work is child-related if the 'usual duties' of the work involve or are likely to involve contact (physical, verbal or electronic) with a child in connection with at least one of the categories of 'child-related work'. There are 18 categories of child-related work prescribed and the most used category for the sports and recreation sector is 'Category 12 – Club, Association or Movement'.</i>
QUESTION 3 – DOES AN EXEMPTION APPLY?	
	If yes - a WWC Check <u>is not</u> required. If no - a WWC Check <u>is</u> required.
	<i>Certain people do not require a WWC Check because they fit within the description of an exemption from child-related work as outlined in the Working with Children (Screening) Act 2004 and the Working with Children (Screening) Regulations 2005.</i>

### Child Safety

Remember: a WWC Check is only one strategy to help keep children safe. More information on Working With Children including factsheets, training, record keeping templates, self-assessment reviews and a variety of resources can be found on the Working With Children website.

WA Football and Country Football WA recognises the value in using Social Media to build more meaningful relationships with affiliate clubs, communities, their members and stakeholders. Social Media offers opportunities for people to gather in online communities of shared interest and create, share or consume content that can be beneficial for Australian Football. By way of affiliation, the AFL National Social Media Engagement Policy applies to all Clubs, Leagues and Members.

WA Football and Country Football WA have an obligation to ensure that affiliated Leagues and Clubs maintain a safe physical and emotional environment for members, which includes cyber safety and the safe and responsible use of internet and Information & Communication Technologies (ICT). Individual members also have a responsibility to use ICT in a safe and responsible way and not bring the game into disrepute. This policy outlines expectations for all Community Football stakeholders in supporting a cybersafe environment.

### \*\*\* Legal Restrictions on Social Media use by Minors \*\*\*

As of **10 December 2025**, Australia has introduced new regulations that restrict social media use by minors:

- **Minimum Age Requirement:** Individuals under the age of 16 are prohibited from holding a social media account on a number of Social Media platforms.
- **Affected Platforms:** These laws apply to major platforms including (but not limited to) Facebook, Instagram, TikTok, Snapchat, X (Twitter), YouTube, Twitch, Reddit, Kick and Threads.
- **Club Responsibility:** Clubs must not encourage, request or mandate that individuals under 16 create or maintain accounts on platforms subject to age restriction. Team communication should be facilitated via parents/guardians using appropriate messaging channels.
- **Parent & Guardian Support:** The eSafety Commissioner provides guides, resources and conversation starters to help families navigate these changes.

WA Football and Country Football WA strongly encourage all individuals to familiarise themselves with these updated legal requirements.

## 71. PHOTOGRAPHY AND VIDEO

WA Football and Country Football WA recognises that photographing and filming children in Community Football is usually performed in an appropriate manner and for good reason, however the inappropriate photographing and filming of children can occur which puts children at risk.

Community Football clubs are expected to create and maintain safe environments that are fit for purpose, provide positive experiences, and ensure the safety of children.

If a parent, guardian, or club official needs to discuss images being recorded due to privacy concerns, the team managers must immediately meet and discuss to ensure the privacy and safety of all participants. Respect should be afforded to all requests to not publish any photos or videos on social media platforms.

Where a sporting event is held on private property not owned by the organisers, it is good practice to determine a mutually agreed photography policy.

GENERAL GUIDANCE
<p>In Australia, generally speaking, there is no law restricting photography of people (including children) in public spaces as long as the images are not;</p> <ul style="list-style-type: none"> <li>• Indecent</li> <li>• Being used for voyeurism</li> <li>• Protected by a court order</li> <li>• Defamatory</li> <li>• Being used for commercial purposes</li> </ul>
<p>Where a sporting event is held on a club's private property, privately owned land, a school or council owned facilities, the owner of private property or venue is able to restrict, ban or require permission of photography anywhere in their venue (e.g. some council owned facilities will not allow mobile phones or cameras in change rooms or toilets).</p>
<p>Where a sporting event is held on private property not owned by the organisers, it is good practice to determine a mutually agreed photographing policy. In a game setting, Team Managers should complete the following;</p> <ul style="list-style-type: none"> <li>• Ensure the opposing Team Manager is aware there is a Photographer at the venue. The opposing Team Manager should then in turn identify any individual who does not provide consent for their image to be taken (ie due to court order or safety reasons).</li> <li>• Identify where the images will be displayed (ie social media or privately shared)</li> <li>• Provide details of who to contact if concerns or complaints of inappropriate image use are raised.</li> </ul>
<p>Use of drones is subject to Civil Aviation Safety Authority (CASA) rules. This includes (but not limited to);</p> <ul style="list-style-type: none"> <li>• You must not fly your drone higher than 120 metres above ground level.</li> <li>• Keeping your drone at least 30 metres away from other people.</li> <li>• You must not fly over or above people when a game is in progress.</li> <li>• Respect personal privacy. Don't record or photograph people without their consent.</li> </ul> <p>CASA Rules can be viewed at the following link - <a href="https://www.casa.gov.au/knowyourdrone/drone-rules">https://www.casa.gov.au/knowyourdrone/drone-rules</a></p>

## 72. INSURANCE

WA Football in conjunction with the AFL, has negotiated a national insurance program through Insurance Brokers, Marsh (formerly JLT). The program provides coverage across four key areas:

- Player and Volunteer Personal Accident,
- Public Liability,
- Asset protection (theft and/or damage), and
- Association Liability (Directors and Officers Liability)

All Junior Clubs are automatically covered under the AFL National Risk Protection Program from 1 November to 31 October each year and commence at Bronze level Personal Accident cover as a base.

Clubs will be invoiced annually for their insurance premiums. Clubs must ensure that invoices are paid by the required due date to maintain coverage.

Clubs are encouraged to review their level of coverage and may request an upgrade (e.g., Silver or Gold) for higher benefits and returns on claims. Information regarding upgrade options and costs can be obtained from Marsh.

For full coverage details, premiums, certificates of currency and policy updates, please visit:

<https://www.au.marsh.com/sport/afl.html>

### PRE-SEASON TRAINING INSURANCE

Within the AFL National Risk Protection Program, Marsh covers all players who are registered to play with a club to the level of cover taken out by that club. In acknowledging that some players train to assess whether they want to register and play the full season, there is scope within the policy whereby 'prospective members' are covered for up to 4 weeks after their initial engagement with the club.

### PERSONAL CIRCUMSTANCES

It is strongly recommended that all players and families investigate their personal insurance needs and should consider the benefits of:

- Private Health Insurance
- Life Insurance
- Ambulance Recommendations
